Thank you so much, Diane.

As you follow up, would you mind asking for feedback on the reimbursement timeline from the invoice sent the 24th?

During our call last month, Debra stated that she believed DPH could turn that around in 2 weeks, to get funds back to LRG for reimbursement to the Direct Service Providers.

Would you mind checking in with them? I have not heard anything from anyone but you after your kind follow up a week ago.

Thank you so much for all your help!

Wanted to follow up and see if there had been any response to our questions on approving the reimbursement of payroll tax or water bottles for promotional or client medical service use. I also wanted to add in a request for clarification on housing. Some agencies would like to provide housing through Grant assistance for eligible clients and another is looking to open a maternity home and want to know if their support staff salaries can be reimbursed. I'm sorry we keep coming to you with questions, we just want to be sure to handle the approval process correctly!
